### **South Plains Financial, Inc. Announces Stock Repurchase Program**

LUBBOCK, Texas, February 25, 2025 (GLOBE NEWSWIRE) – South Plains Financial, Inc. (NASDAQ:SPFI) (“South Plains” or the “Company”), today announced that the board of directors of the Company (the “Board”) approved a new stock repurchase program for up to \$15.0 million of the outstanding shares of the Company’s common stock (the “Stock Repurchase Program”). The Stock Repurchase Program will conclude on February 21, 2026, subject to the earlier termination or extension of the Stock Repurchase Program by the Board or the \$15.0 million designated for the Stock Repurchase Program are depleted.

Under the Stock Repurchase Program, the Company may repurchase shares of the Company’s common stock from time to time through various means, including open market purchases and privately negotiated transactions. Open market repurchases will be conducted in accordance with the limitations set forth in Rule 10b-18 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and other applicable legal requirements. Repurchases under the Stock Repurchase Program may also be made pursuant to a trading plan under Rule 10b5-1 under the Exchange Act, which would permit shares to be repurchased by the Company when the Company might otherwise be precluded from doing so because of self-imposed trading blackout periods or other regulatory restrictions. The extent to which the Company repurchases its shares, and the manner, timing and amount of such repurchases, will depend upon a variety of factors, including the performance of the Company’s stock price, general market and economic conditions, regulatory requirements, availability of funds, and other relevant considerations, as determined by the Company. The Company may, in its discretion, begin, suspend or terminate repurchases at any time prior to the Stock Repurchase Program’s expiration, without any prior notice. The Stock Repurchase Program does not obligate the Company to repurchase any particular number or amount of shares of the Company’s common stock and there is no guarantee as to the exact number or value of shares that will be repurchased by the Company under the Stock Repurchase Program.
